

Independent Accountant's Review Report

I have reviewed the accompanying statement of financial position of NZ Filipino Sto Nino Devotees Trust as of 31 March 2023 and the related statements of activity and cash flows for the year the ended. The review includes primarily applying analytical procedures to management's financial data and making inquiries of management. I have not performed an Audit, accordingly, I do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Generally Accepted Accounting Principles (GAAP) and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Based on my review, nothing has come to my attention that causes me to believe that the accompanying financial statements do not give a true and fair view.
